- **Morten Mørup:** Morten is a Professor at DTU and together we have formulated a research project we are currently trying to secure funding for. The project is to use graph representation learning to find new innovative uses for existing pharmaceuticals. Morten is a good reference to learn about me in an academic research setting. He can be reached on mmor@dtu.dk.
- **Laura Hortvath-Perge:** Laura is a manager from a previous workplace. She and I worked extremely well together and still keep in touch. She can provide information about my collaboration and performance in a fast-paced work environment. She can be reached on laurahp@google.com.
